

Requests for Donations and In-Kind Sponsorships

GattiTown's mission is to invest in the well-being of our communities. We are happy to assist and partner with 501(c)(3) non-profit community organizations whenever possible. Regrettably, we are unable to donate to every organization; however, we do offer innovative FUNdraising opportunities. Please contact Quyen Phan, Marketing and Community Development Coordinator, for additional FUNdraising information.

We are unable to contribute to all requests, including, but not limited to the following:

- Financial or in-kind support for individuals, regardless of individual need
- Annual or Capital Campaigns
- Endowment Funds
