

What is the  
"Gatti's Goes  
**Educational**"  
Field Trip Program?

A lunch and fun-filled learning experience aligned with the Texas Essential Knowledge and Skills that engages students in hands-on activities.

A teacher-designed program intended to supplement classroom instructions in math.

Lessons that may include extensions and follow-up activities.

**Specially  
Teacher-Designed  
Programs covering  
TEKS\* for grades  
1 through 7.**

\*TEKS list available upon request.

Gatti's Goes  
**Educational!**

Eat up the fun!

# The Teacher's Chat Room

"Everything was great! The hands-on lessons in math were wonderful!"

— Mrs. Hernandez,  
*Sky Harbor Elementary School*

"Fantastic presentation! Very informative and energetic — everyone was involved in the activities!"

— Ms. Elena Gil,  
*Myrtle Cooper Elementary School*

"I enjoyed the interaction between the students and the instructor. It is very practical and the reward of pizza at the end keeps the children attentive."

— Mr. Ken Armstrong,  
*Believers Academy*

"This was a great way to help students grasp the concept of fractions in a real-life setting. Great work!"

— Ms. Noé Cantú,  
*Vista Del Sol Elementary School*

"The nutrition instruction was fabulous — the kids learned so much. With the new law regarding foods of minimal nutritional value, the information was very relevant."

— Ms. Michelle Kiolbassa,  
*Oak Crest Intermediate*

## FIELD TRIP PRICES

*Includes a Gatti's class and lunch!*

**1st - 7th Grade ..... \$10.00**
